Positive Action Group

From the beginning of the first Coronavirus outbreak in China in late 2019, Dr Cha and Dr Allison, MND have been largely responsible for implementing the岛 of Man government's response to a unique situation - a pandemic of a totally new disease.

The Positive Action Group is delighted that both ministers have agreed to address one of their regular public meetings on Monday 26th of July at the Manx Legion, Market Hill in Douglas, starting at 7:30pm.

Dr Allinson and Dr Allinson will explain how the plans to manage and control the illness were made and implemented. These plans affected everybody on the Island and the Positive Action Group anticipate a lot of interest in this meeting.

Free Admission – Open to all

The Positive Action Group was set up to promote awareness and understanding of mental well-being and the group’s website is at www.positiveactiongroup.im or their Facebook group.
